DESIGNED TO FIT

Generic aftermarket parts often can't match Mopar's precision. In fact, studies show that generic parts deviate considerably in their accuracy of fit, due to dimensional variance, and that as many as four out of five non-OEM (Original Equipment Manufacturer) aftermarket crash parts are inferior to OEM parts.*

They're the same parts and components used at the factory to build your vehicle. It's a difference you can see:

- ✓ They install with a precise, good-as-new fit.
- ✓ Eliminate odd gaps, mismatched or slightly "off" alignments.
- ✓ Utilize the same quality materials, paints and coatings to match your vehicle.
- ✓ Maintain the same level of corrosion protection as your vehicle did when it was new.

YOUR CHRYSLER CERTIFIED COLLISION REPAIR FACILITY...

IS LOCATED RIGHT HERE AT WELLINGTON MOTORS.

There are many things to consider when getting your Chrysler repaired. Is the shop certified? Is the technician qualified? Do they use authentic Chrysler Mopar parts? Will they get my vehicle back to its pre-accident condition? When you use a Chrysler Certified Collision Repair Facility, the answer is yes to all of the above.

TRUST US TO MAKE IT EASY FOR YOU

We will make estimating and insurance approvals anxiety-free. For fast approvals, we will communicate proactively with your insurer by transmitting images and information digitally along with working with your adjuster directly to get you back on the road quickly and efficiently.

*Based on the Crash Part Certification Study by the Department of Consumer Affairs and Bureau of Automotive Repair (BAR), in consultation with the California Department of Insurance.

KEEPING YOUR VEHICLE LIKE NEW

Keeping your vehicle “like new” helps ensure you’ll get the greatest return on your investment at the time of resale. Also, if you lease your vehicle, you’ll be expected to return it “up to standard,” otherwise, you may be required to pay additional termination charges. Authentic Collision Repair Parts by Mopar help protect you and your investment, and help minimize the possibility that your vehicle will lose some of its value unnecessarily.

QUICK AND CORRECT. DELIVERED WITH A LIMITED LIFETIME WARRANTY.

We practice a “fix it right the first time” philosophy. Using our advanced production system, accompanied by state-of-the-art equipment and factory-trained technicians, we will repair your vehicle back to showroom-like condition.

We guarantee that all repairs carried out on your vehicle will meet or exceed industry standards and we always strive to deliver 100% satisfaction. We stand behind our workmanship with a limited lifetime warranty on all repairs performed. In addition, parts are subject to manufacturer’s warranty if applicable.

It’s your right to choose where your vehicle is repaired.

As stated in the Ontario Auto Insurance Consumer’s Bill of Rights

Section 13:
It is your right to choose your repair facility.

Drive or have your vehicle towed to the experts at

to restore your vehicle to its original factory standards.

Our fully equipped collision repair shops can handle your auto body repair needs. We operate closely with insurance companies to ensure that your vehicle returns to a like-new state quickly. The paint shop works tirelessly to match all colours and trims, yielding a factory-quality finish. From a mild fender bender to a more serious car crash, no one likes a car accident. Allow our trained professionals to complete your automobile restoration to manufacturer-specified standards.

WHY CHOOSE AN AUTOCANADA COLLISION CENTRE?

In the unfortunate event of an accident, trust an AutoCanada Collision Centre to take the utmost care in repairing your vehicle. With several locations and our vast coast-to-coast network of dealers, we can expedite repairs so your vehicle is returned as good as new in no time to the highest level in accordance with modern industry & OEM standards.

We know every manufacturer builds its vehicles differently. Our goal at AutoCanada Collision is to repair your vehicle back to the way it was built, the way it was meant to be.

DETAILED & RESPONSIBLE CARE

We are proud to host environmentally friendly waterborne paint technology at all our collision centres instead of using materials containing harsh chemicals. Our certified technicians offer consistent, professional and accurate auto repair services using environmentally friendly practices in order to better serve your vehicle and the community.

WHAT TO DO IN THE EVENT OF A COLLISION

- 1 Ensure safety of all occupants.
Call 911 if anyone is injured.
- 2 Move vehicles to a safe location (if driveable).
- 3 **Do not sign anything for anyone other than the police!**
- 4 At the scene, fill out the collision data form provided on the following pages. Both your insurance company and the police collision reporting centre will require this information to process any claims.
- 5 Remember to use the **detachable tow card** on front cover of this brochure to provide directions and instructions.

In Ontario, all accidents exceeding \$2,000 in combined damage to vehicles must be reported to the police or a collision reporting centre within 24 hours.

If necessary, contact the police.

GLASS & WINDSHIELD REPAIR

At some point in your vehicles lifetime you may require glass or windshield repair or replacement. Your vehicle's glass and windshields can become cracked, chipped, or scratched in the course of daily use. Windshields will also deteriorate over time due to factors like the sun, dirty windshield wipers and general debris from the road.

Our glass repair services include:

- ✓ Front & rear windshield repairs
- ✓ Windshield replacement
- ✓ Safety system recalibration
- ✓ Car window & power window repairs
- ✓ Competitive pricing & insurance claims assistance (if required)

Whether you require a simple glass repair, or a full windshield replacement our specialist team of auto glass technicians are here to help.
